Reason for seeking *pro bono* legal assistance:

By signing and submitting this application, I agree to the following:

- I have read the Lawyers for the Arts *pro bono* selection criteria and believe that I have a good faith basis for applying for *pro bono* legal services under the criteria
- If my application is approved, I affirm that I intend to give back to the arts community by donating my time and talents toward improving the arts community (local and/or statewide) in whatever ways I can best serve it
- I understand that the Lawyers for the Arts Committee does not itself provide *pro bono* legal assistance; rather, if the Committee approves my application, it will recommend to a partnering law firm that I be accepted as a *pro bono* client of that individual law firm / attorney
- I understand that if my application is accepted by the Committee, ultimate discretion to take my case or matter will rest in the hands of the Committee's partnering law firms
- I will indemnify and hold harmless the Virginia Bar Association and its members for any claim that may arise as a result of any *pro bono* legal services that I ultimately obtain through the referral of the Lawyers for the Arts Committee
